

PRAYER FOR THOSE WHO ARE TRAVELING

It's that time of year when we are traveling both long and short distances.

We are anxious for family get-togethers, day trips, celebrations, mission trips, summer camps and those long awaited vacations. After three years of being limited to our location, we are all exploring those places beyond our home base.

Let us pray for those who are traveling.

Gracious God, we are in need to see the world,

To travel,

To connect with family and friends,

To explore and rest and renew.

We pray today for those who are traveling by car, plane, train or ship.

Grant them traveling mercies.

Keep them safe from harm.

Help them to rest and restore.

Guide them to places to explore creation,

Or to celebrate friends and family.

By your Spirit awaken us all,

That we may see and hear your presence in the world.

Fill us with the joy of connecting with your creation

And gathering of friends and family.

In Jesus name we pray. Amen.
